

**PLEASE NOTE:** This fillable PDF is intended to be a working document to help prepare the final submission. Do NOT submit this pdf as the nomination. Instead, final submissions must be made through the online Survey Monkey nomination form found [here](#). Deadline is January 25, 2025.

## 2025 Wood in Architecture Nomination Form **PREVIEW**

### 1. About Your Submission

Welcome and thank you for submitting a project for a Wood in Architecture award! The call for entries opens Wednesday, December 1, 2024, and closes Saturday, January 25, 2025. Before completing your submission, please review the [award criteria, submission requirements, and policies](#). Questions? Email [info@woodworks.org](mailto:info@woodworks.org).

Nominations must include:

- Completed nomination in Survey Monkey
- 8-15 high-resolution images including completed project photos, project floor plan and elevation. Construction photos and drawings are encouraged. Upload instructions provided at the end of the nomination form.

**IMPORTANT:** When uploading your nomination assets, be sure to add the project name (the same way it's presented in the nomination form) to the field 'What are you uploading?' and in the next window/upload form. Photo credit can be applied to individual files being uploaded or to groups of files.

*Note: To complete this form in more than one session, you must use the same computer and browser. Don't clear cookies between sessions or your information won't be saved.*

### Table of Contents

1. About Your Submission
2. Project Information
3. Project Overview
4. Award Criteria-Design Excellence
5. Award Criteria-Innovative Use of Wood
6. Award Criteria-Sustainability & Resilience
7. Award Criteria-Market Impact
8. Submission Contact Information
9. Project Team Information
10. Photo Release and Publicity Opt-In
11. Additional Publicity Opt-In
12. WoodWorks
13. Final Upload Instructions

**NOTE:** Fields with an asterisk are required fields.

## 2025 Wood in Architecture Nomination Form

### 2. Project Information

\* 1. Project name:

\* 2. Start date (month/year):

\* 3. Completion date (month/year):

\* 4. Project location (street address):

\* 5. Project location (city/state):

\* 6. Project zip code:

\* 7. Construction Type:

\* 8. Primary Occupancy (single-family residences do not qualify):

\* 9. Estimated total square footage:

\* 10. Number of wood stories:

\* 11. Number of non-wood stories (including podiums but not including basements or subterranean levels):

12. Estimated construction cost

Rough construction cost (\$/sf):

13. Please indicate if costs beyond foundation, structure and finishes are included (check all that apply):

☐ Site preparation, grading and landscaping costs

☐ Soft costs

☐ Other (please specify)

## 2025 Wood in Architecture Nomination Form

### 3. Project Overview

\* 14. Select the most accurate description of the structural system (check all that apply):

☐ Light-frame wood

☐ Heavy timber

☐ Mass timber

☐ Utilized off-site construction methods  
(panelized walls/floors, modular, other  
prefabricated systems)

☐ Hybrid or composite

☐ Non-wood

Other (please specify)

\* 15. Roof:

☐ Heavy/mass timber

☐ Light-frame wood

☐ Not wood

☐ N/A

Materials used in this system:

\* 16. Floor:

☐ Heavy/mass timber

☐ Light-frame wood

☐ Not wood

☐ N/A

Materials used in this system:

\* 17. Walls:

☐

Heavy/mass timber

☐

Not wood

☐

Light-frame wood

☐

N/A

Materials used in this system:

18. List the finish wood products:

19. Provide a summary of the project and how it best meets the award criteria (200 words or less):

\* 20. What was the primary reason for choosing wood on this project?

☐

Sustainability/carbon footprint

☐

Aesthetics

☐

Cost/value

☐

Structurally preferred

☐

Ease/speed of construction

Other (please specify)

21. Explain the primary reason wood was selected for this project and how it added value:

22. Describe the building design—including the structural system design, structural materials, and key features.

## 2025 Wood in Architecture Nomination Form

### 4. Award Criteria - Design Excellence

23. Describe the design goals and how they were met with an emphasis on wood's relevance:

24. Describe any noteworthy design approaches related to functionality (e.g., fire-resistance/performance, MEP integration, acoustics, vibration, energy efficiency).

25. How have occupants and/or the community reacted to this project? Have any aspects related to the wood structure resonated in particular?

## 2025 Wood in Architecture Nomination Form

### 5. Award Criteria - Innovative Use of Wood

26. What are the innovative aspects of this project?

27. Were there any challenges (e.g. code or design elements) that required an alternate solution? If yes, please explain the issue and result:

## 2025 Wood in Architecture Nomination Form

### 6. Award Criteria - Sustainability & Resilience

28. Describe the project's sustainability goals and how they were met. Please elaborate on the building's sustainability features with an emphasis on anything relevant to the wood structure and/or the American Institute of Architects' guiding principles toward a zero-carbon, equitable, resilient, and healthy building environment.

29. If a life cycle assessment (LCA) is being undertaken for this project, which LCA tool is being used and what is the expected timing? Is the project pursuing any green or healthy building certifications (e.g., LEED, Living Building Challenge, Passive House, WELL)?

30. Provide the volume of structural wood in the building if known (in cubic feet or meters, separated by material). This will enable WoodWorks to estimate the carbon impacts using the WoodWorks Carbon Calculator:

## 2025 Wood in Architecture Nomination Form

### 7. Award Criteria - Market Impact

31. How will this project benefit its community (e.g., economic development, affordable housing, support for underserved groups)?

32. Will any approaches or solutions be shared with the broader design and construction community? If yes, please describe.

33. Describe the significance of this project from a market perspective (e.g., use of wood in a non-traditional building type or size, scalability/replicability)?

34. Did the use of wood result in any cost savings (e.g., material costs, faster construction, reduced need for finishes)? Please be specific:

## 2025 Wood in Architecture Nomination Form

### 8. Submission Contact Information

Please provide the name and contact information for the person submitting this nomination. This will be the person WoodWorks will contact if we have questions or need additional information. Use the Project Team section of this form to provide details on the firms involved.

\* 35. First name:

\* 36. Last name:

\* 37. Company:

\* 38. Street address:

\* 39. City:

\* 40. State:

\* 41. Zip:

\* 42. Phone number:

\* 43. Email address:

\* 44. Role:

## 2025 Wood in Architecture Nomination Form

### 9. Project Team Information

Please include the architect, structural engineer and general contractor at a minimum, and other project team members as desired.

#### \* 45. Design Architect

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="--"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

#### 46. Architect of Record

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

#### \* 47. Structural Engineer

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

#### 48. General Contractor

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

#### 49. Developer/Building Owner

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

#### 50. Timber Installer/Framer

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

#### 51. Fire Protection Engineer

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

**52. Acoustic Specialist**

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

**53. Timber Supplier**

Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>
Email address:	<input type="text"/>
Project lead:	<input type="text"/>

**54. Other team members who were key to the success of this project**

Role on project:	<input type="text"/>
Company:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text" value="-- select state --"/>
ZIP:	<input type="text"/>

## 2025 Wood in Architecture Nomination Form

### 10. Photo Release and Publicity Opt-In

An important role of WoodWorks is to recognize and promote innovative wood projects and their design/construction teams. The Wood in Architecture award program is the most significant way we do this, but there are also many other opportunities throughout the year. This section is intended to confirm that nominees have a license and/or agreement with the photographer(s) of their project to share the uploaded photos and allow their use for award winner promotion (required) and through other opportunities. Appropriate credit to the architecture firm and photographer will be included in all cases, and the engineer and contractor will be included where space allows.

\* 56. WoodWorks recognizes excellence in building design and celebrates design teams through the Wood in Architecture award program, and we *greatly* rely on photography to tell the structural story of each project.

This section is intended to confirm that nominees have a license and/or agreement with the photographer(s) of their project to share with WoodWorks. The photos that accompany this nomination submission will be used by our jurors during evaluation and for the marketing and promotion of winning projects.

In all use cases (e.g. WoodWorks award gallery, press release, blog, social media, eNewsletters, etc.), photo credit will be given to the photographer and the architecture firm—the structural engineer will be included where space allows.

Do you confirm that you have a license and/or permission from the photographer(s) to share the project photos for the uses above:

☐ Yes

☐ No

57. Photographer #1 name:

58. Photo credit copy if different from name:

59. Photographer #1 email address:

60. Indicate the files names for this specific photographer:

61. Photographer #2 name:

62. Photo credit copy if different from name:

63. Photographer #2 email address:

64. Indicate the files names for this specific photographer:

65. Additional instructions:

66. Credit for architectural or structural drawings:

## 2025 Wood in Architecture Nomination Form

### 11. Additional Publicity Opt-In—All Nominees

#### 67. WoodWorks Innovation Network (WIN)

WIN is a program of WoodWorks that serves as a database of mass timber and innovative light-frame projects and their design teams. To further showcase your project, WoodWorks staff will use the data provided in the nomination form to add the project to WIN.

- ☐ I permit WoodWorks to add my project to the WIN website if it meets the criteria.
- ☐ I do not permit WoodWorks to add my project to WIN.

Comments

68. As a nonprofit, WoodWorks has opportunities throughout the year to include projects in our technical materials (e.g., papers, presentations, case studies, educational events and promotion of education events), which educate the broader community on wood design, engineering and construction.

- ☐ I permit WoodWorks to include my project in WoodWorks materials.
- ☐ I do not permit WoodWorks to include my project in WoodWorks materials.
- ☐ I would like information on the specific use before deciding.

Comments

#### 69. Other Publicity

WoodWorks partners have opportunities to promote projects through vehicles such as media articles, website features, and blogs.

#### Think Wood

- ☐ I permit Think Wood to include my project in Think Wood materials.
- ☐ I do not permit Think Wood to include my project in Think Wood materials.
- ☐ I would like information on the specific use before deciding.

Comments

**70. Softwood Lumber Board**

- ☐ I permit the Software Lumber Board to include my project in the Softwood Lumber Board materials.
- ☐ I do not permit the Software Lumber Board to include my project in the Softwood Lumber Board materials.
- ☐ I would like information on the specific use before deciding.

### 12. WoodWorks

71. Is there anything else you'd like to share about your project?

\* 72. Has your decision to build this project with wood been influenced by WoodWorks?

☐

No

☐

Yes

73. If you answered "yes" to the last question, please tell us which WoodWorks education events or activities influenced your project (select all that apply):

☐

Assistance by a staff member

☐

Lunch seminar

☐

Assistance by the help desk

☐

Lunch and learn

☐

Online education (webinar)

☐

Building tour

☐

In-person education (workshop, etc.)

☐

Trade show presentation

Other (please specify)

\* 74. How did you hear about the U.S. WoodWorks Wood Design Awards?

☐

Email

☐

Social media

☐

Advertising

☐

WoodWorks team member

☐

WoodWorks website

☐

WoodWorks education event

☐

Other website

Other (please specify)

## 2025 Wood in Architecture Nomination Form

### 13. Final Upload Instructions

Photos and drawings must be uploaded to [this Image Relay link](#).

**IMPORTANT:** When uploading your nomination assets (photos & drawings), please make sure the project name that you enter in the Project Name field matches the project name in SurveyMonkey exactly. Photo credit can be applied to individual files being uploaded or to groups of files.

Questions? Email [info@woodworks.org](mailto:info@woodworks.org).

Winners will be notified by May 2025, and publicly announced in June 2025. Thank you for your award nomination!
