MANUFACTURERS & FABRICATORS 2026

Connect with these companies to source materials, products, and services for your next project.

As a non-profit, WoodWorks is supported by partners representing all facets of the industry. It is through their support that we're able to offer technical resources, educational programming, and free project assistance to teams building with wood. EWP / PANELS

Boise Cascade

Manufactures engineered wood products, panels, and lumber. See projects and connect with Boise Cascade on WIN, or email Zach at ZachShearer@bc.com.

Georgia-Pacific

Manufactures a wide range of products—from sub-floors and exterior sheathing, to drywall for walls and ceilings, to roofs and firedoors. See projects and connect with Georgia-Pacific on WIN, or email Matthew.Broome@gapac.com.

LP Building Solutions

Manufactures engineered wood building solutions—from subfloor to roofline. See projects and connect with LP Building Solutions on WIN, or email Sharon.Roscher@LPcorp.com.

West Fraser

Manufactures lumber, oriented strand board (OSB), laminated veneer lumber (LVL), medium density fiberboard (MDF), plywood, and other products. See projects and connect with West Fraser on WIN, or email Geoff.Angle@westfraser.com.

Weyerhaeuser

Manufacturers engineered wood products, oriented strand board (OSB), panels, and lumber. See projects and connect with Weyerhaeuser on WIN, or email Wendy.Minichiello@weyerhaeuser.com.

Visit the WoodWorks Innovation Network (WIN) directory to connect with these companies and see built or under construction projects using their materials.

Mercer Manufactures cross-laminated timber (CLT) and glulam (GLT). Provides end-to-end project management and construction services. See projects and connect with Mercer on WIN, or email John at John.Kostaras@mercerint.com.

SmartLam Manufactures cross-laminated timber (CLT) and glulam building products. See projects and connect with SmartLam on WIN, or email Cory at Cory.Scrivner@smartlam.com.

DowelLam Manufacturer of dowel laminated timber—the all wood mass timber panel. See projects and connect with DowelLam on WIN, or email Derek at DAutenrieth@dowellam.com.

Element5 | Hasslacher Group Manufactures cross-laminated timber (CLT), and glulam, columns and other mass timber components. See projects and connect with them on WIN, or email Lee at Lee@elementfive.co.

Freres Engineered Wood Manufactures veneer-based cross-laminated timber (CLT) beams and columns. See projects and connect with Freres Engineered Wood on WIN, or email the Feres team at buympp@frereswood.com.

Kalesnikoff Manufacturers glulam beams and columns, GLT panels, and cross laminated timber (CLT). See projects and connect with Kalesnikoff on WIN, or email Devin at Devin.Harding@kalesnikoff.com.

RedBuilt Manufacturers long span open-web trusses, I-Joists, laminated veneer lumber prefabricated wall panels, and supplies hybrid mass timber solutions nationwide. See projects and connect with RedBuilt on WIN, or email Jason at JWeber@redbuilt.com.

Rotho Blaas USA Products include fasteners & connectors, building envelope & acoustic solutions, worker safety & tools, and site waterproofing. See projects and connect with Rotho Blaas USA on WIN, or email Hannes at Hannes.Blaas@rothoblaas.com.

Sansin Manufactures industrial and factory finishes and coatings. See projects and connect with Sansin on WIN, or email Michael at ML@sansin.com.

Sauter Timber Mass timber fabrication of any manufacturers product, and design assistance. See projects and connect with Sauter Timber on WIN, or email Andreas at Andreas@sautertimber.com.

Simpson Strong-Tie Manufactures connectors and fasteners. See projects and connect with Simpson on WIN, or email Derek at DKaple@strongtie.com.

Sterling Structural Manufactures cross-laminated timber (CLT). See projects and connect with Sterling on WIN, or email Michaela at Michaela.Harms@sterlingsolutions.com.

Timberlab A mass timber trade partner offering holistic mass timber solutions including design and engineering assistance, timber fabrication, and installation services. See projects and connect with Timberlab on WIN, or email Sam at Samuel.Dicke@timberlab.com.

Timberlyne Project coordination, design assist, pre-fabrication and installation. See projects and connect with Timberlyne on WIN, or email Michael at MRatliff@timberlyne.com.

USG manufactures gypsum underlayments and sound attenuation mats. See projects and connect with USG on WIN, or email Corvette at CMorales@usg.com.

Western Archrib Manufacturers glulam columns and beams, GLT panels and provides design assist services. See projects and connect with Western Archrib on WIN, or email Barbara at barbaram@westernarchrib.com.

Western Forest Products Manufacturers multi-species glulam. See projects and connect with Western Forest Products on WIN, or email Rich at RFrazer@westernforest.com.

Pliteq Visit Pliteq.com or email Aedan at Acallaghan@pliteq.com

CONTRACTORS & INSTALLERS 2025

Connect with these companies to source materials, products, and services for your next project.
