PREVIEW

PLEASE NOTE: This fillable PDF is intended to be a working document to help prepare the final award submission. Do NOT submit this pdf as the nomination. Instead, final submissions must be made through the online Survey Monkey nomination form found here.

1. About Your Submission

Welcome and thank you for your interest in the Wood in Architecture awards!

The call for nominations deadline is January 11, 2027 at 11:59 pm Central Time. Before completing and submitting your submission through Survey Monkey, please review the award criteria, submission requirements, and policies.

Questions? Email info@woodworks.org.

Important things to know before you start your nomination

- Nominations must be completed and successfully submitted in Survey Monkey. A filled PDF of this form will not be accepted.
- To complete this form in more than one Survey Monkey session, you must use the same computer and browser. Don't clear cookies or cache between sessions, or your information won't be saved.
- You will be required to provide 8–15 high-resolution images including completed project photos, construction photos, project floor plan, and elevation. The upload instructions and link for upload will be provided at the end of the nomination form.

Note: *To complete this form in more than one session, you must use the same computer and browser. Don't clear cookies or cache between sessions or your information won't be saved.*

Table of Contents

1. About Your Submission
2. Project Information
3. Project Overview
4. Award Criteria – Design Excellence
5. Award Criteria – Innovative Use of Wood
6. Award Criteria – Sustainability & Resilience
7. Award Criteria – Market Impact
8. Submission Contact Information
9. Project Team Information
10. Photo Release and Publicity Opt-In
11. Additional Publicity Opt-In
12. WoodWorks
13. Final Upload Instructions

2. Project Information

* 1. Project name, as it should be promoted or publicly recognized:

* 2. Provide a summary of the project and how it best meets the award criteria (350 words or less).

* 3. Construction start date (month/year):

* 4. Completion date (month/year)

* 5. Project location (street address):

* 6. Project location (city/state):

* 7. Project ZIP code:

* 8. Construction type:

* 9. Primary occupancy (single-family residences do not qualify):

* 10. Total square footage:

* 11. Number of wood stories:

* 12. Number of non-wood stories (including podiums, but not including basements or subterranean levels):

3. Project Details

* 13. Select the most accurate description of the structural system (check all that apply):

- [ ] Light-frame wood
- [ ] Heavy/mass timber
- [ ] Utilized off-site construction methods (panelized walls/floors, modular, other prefabricated systems)
- [ ] Hybrid or composite

* 14. Roof

- [ ] Heavy/mass timber
- [ ] Light-frame wood
- [ ] Not wood
- [ ] N/A

Please list the products/materials used in this system (e.g., CLT, DLT, NLT, GLT, glulam, lumber, steel, concrete). Include the wood manufacturers if known.

* 15. Floor

- [ ] Heavy/mass timber
- [ ] Light-frame wood
- [ ] Not wood
- [ ] N/A

Please list the products/materials used in this system (e.g., CLT, DLT, NLT, GLT, glulam, lumber, steel, concrete). Include the wood manufacturers if known.

* 16. Walls

- [ ] Heavy/mass timber
- [ ] Light-frame wood Not
- [ ] Wood
- [ ] N/A

Please list the products/materials used in this system (e.g., CLT, DLT, NLT, GLT, glulam, lumber, steel, concrete). Include the wood manufacturers if known.

* 17. List the finished wood products.

* 18. What was the primary reason for choosing wood on this project?

- Aesthetics/biophilic benefits
- Cost/value
- Ease/speed of construction
- Sustainability
- Other (please specify)

19. How did the use of wood add value to this project?

20. Describe the building design, including the structural system, materials, and key features.

4. Award Criteria – Design Excellence

21. Describe wood's role in meeting the project's design goals.

22. Describe any noteworthy wood-related design approaches pertaining to functionality (e.g., fire resistance/performance, MEP integration, acoustics, vibration, energy efficiency).

5. Award Criteria – Innovative Use of Wood

23. What are the wood-related innovative aspects of this project?

24. Were there any challenges (e.g. code or design elements) that required an alternative solution? If yes, please explain the issue and result.

6. Award Criteria – Sustainability & Resilience

25. Describe wood's role in meeting the project's sustainability goals.

26. If a life cycle assessment is being undertaken for this project, which tool is being used?Are any green or healthy building certifications being pursued for this project (e.g. LEED, Living Building Challenge, Passive House, WELL)?

27. Provide the volume of structural wood if known (in cubic feet or meters, separated by material type). This will allow WoodWorks to complete a carbon calculation.

7. Award Criteria – Market Impact

28. How will this project benefit its community (e.g., economic development, affordable housing, support for underserved groups)?

29. Describe the significance of this project from a market perspective (e.g., use of wood in a non-traditional building type or size, scalability/replicability).

30. Did the use of wood result in any cost savings (e.g., material costs, faster construction, design optimization, reduced need for finishes)? Please be specific.

8. Submission Contact:

By submitting this nomination, you are verifying that the information is accurate and complete to the best of your knowledge. If the project is selected as an award winner, WoodWorks will collaborate with you as the submitter and/or the architect to fact check the description and project details for the award promotion.

* 31. First name:

* 32. Last name:

* 33. Company:

* 34. Street address:

* 35. City:

* 36. State:

* 37. ZIP Code:

* 38. Phone number:

* 39. Email address:

* 40. Role:

9. Project Team Information

Please include the architect, structural engineer, and general contractor at a minimum and other project team members as desired.

* 41. **Design Architect**

The design architect (firm) is recognized in the WoodWorks award book, gallery, press release, social media posts, and project profile on the WoodWorks Innovation Network (WIN).

Company:	
City:	
State:	
ZIP:	
Email address:	
Project lead:	

* 42. **Architect of Record**

The AOR (firm) is recognized in the WoodWorks award book, gallery, press release, social media posts, and project profile on WIN.

Company:	
City:	
State:	
ZIP:	
Email address:	
Project lead:*	

43. **Developer/Building Owner**

The developer/building owner is recognized in the WoodWorks award book, gallery, press release, social media posts, and project profile on WIN.

Company:	
City:	
State:	
ZIP:	
Email address:	
Project lead:	

* 44. **Structural Engineer**

The EOR (firm) is recognized in the WoodWorks award book, social media posts, and project profile on the WIN.

Company:

City:

State:

ZIP:

Email address:

Project lead:

45. **Delegated design engineer, if applicable**

The delegated design engineer (firm) is recognized in the WoodWorks award book, social media posts, and project profile on WIN.

Company:

City:

State:

ZIP:

Email address:

Project lead:

* 46. **General Contractor**

The GC (firm) is recognized in the WoodWorks award book, social media posts, and project profile on WIN.

Company:

City:

State:

ZIP:

Email address:

Project lead:

The following team members will be listed as part of the project team on WIN and recognized in social media posts:

47. **Timber Installer/Framer**

Company:

City:

State:

ZIP:

Email address:

Project lead:

48. Fire Protection Engineer

Company:

City:

State:

ZIP:

Email address:

Project lead:

49. Acoustic Specialist

Company:

City:

State:

ZIP:

Email address:

Project lead:

50. Provide team members not already listed with an integral role in the wood design/construction of this project.

Role on project:

Company:

Email address:

Project lead:

Role on project:

Company:

Email address:

Project lead:

10. Photo Release and Publicity Opt-In

WoodWorks recognizes excellence in building design and celebrates design teams through the Wood in Architecture award program, and we rely on photography to tell the structural story of each project.

The photos that accompany this nomination submission will be used by our jurors during evaluation and for the marketing and promotion of winning projects. In all use cases (e.g. WoodWorks award gallery, press release, blog, social media, eNewsletters), credit will be given to the architect and to the photographer or producer of the image asset.

- Use **this link** to upload 8–15 high resolution .tiff, .eps, .ps, .jpg or .png format photos and drawings.
- IMPORTANT: When uploading your nomination assets, please make sure the project name that you enter in the "Project Name" field, question 1, matches the project name in Survey Monkey.
- The upload interface will not display assets you upload. This is to protect the privacy of other nominations.

51. Please confirm you have a license and/or agreement with the photographer(s) to share the uploaded photos and allow their use for award winner promotion (required).

- ◯ Yes
- ◯ No

* 52. Photographer #1 name:

53. Photo credit:

54. Photographer #1 email address:

55. Please indicate the file names specific to photographer #1. For clarity, please name and upload the files with project name and credit.

56. Photographer #2 name:

57. Photo credit:

58. Photographer #2 email address:

59. Please indicate the file names specific to photographer #2. For clarity, please name and upload the files with project name and credit.

60. Additional instructions:

61. Credit for uploaded architectural or structural drawings:

11. Additional Publicity Opt-In—All Nominees

62. An important role of WoodWorks is to recognize and promote innovative wood projects and their design/construction teams. The Wood in Architecture award program is the most significant way we do this, but there are also other opportunities throughout the year that includes technical materials (e.g., papers, presentations, case studies, educational events and promotion of education events), which educate the broader community on wood design, engineering and construction.

- ◯ I permit WoodWorks to include my project (including photos) in WoodWorks materials. Credits will be provided in all cases, including project name, architect, and photographer.
- ◯ I do not permit WoodWorks to include my project in WoodWorks materials.
- ◯ I would like information on the specific use before deciding.

Comments

63. WoodWorks Innovation Network (WIN) is a program of WoodWorks that showcases the use of mass timber and innovative light-frame projects and their design teams. While award winners receive a profile on WIN as part of the award promotion, WIN is open to any project. Please use this link to promote your project on WIN and/or indicate whether WoodWorks may do so on your behalf.

- ◯ I permit WoodWorks to add my project to the WIN website if it meets the criteria.
- ◯ I do not permit WoodWorks to add my project to WIN.

Comments

64. WoodWorks is supported in part by the Softwood Lumber Board (SLB). SLB and its program Think Wood have opportunities to promote projects through earned media articles, website features, and blogs.

- ◯ I permit the SLB to include my project (including photos) in SLB materials. Credits will be provided in all cases, including project name, architect, and photographer.
- ◯ I do not permit the SLB to include my project in SLB materials.
- ◯ I would like information on the specific use before deciding.

Comments

12. WoodWorks

65. Is there anything else you'd like to share about your project?

* 66. Has your decision to build this project with wood been influenced by WoodWorks?

- ◯ Yes
- ◯ No

67. If you answered "yes" to the last question, please tell us which WoodWorks education events or activities influenced your project (select all that apply):

- ☐ Assistance by a staff member
- ☐ Assistance by the help desk
- ☐ Online education (webinar)
- ☐ In-person education (seminar, workshop, etc.) Lunch and learn
- ☐ Building tour
- ☐ Trade show presentation
- ☐ Other (please specify)

* 68. How did you hear about the Wood in Architecture Awards?

- [ ] Email
- [ ] Advertising
- [ ] WoodWorks website
- [ ] Other website
- [ ] Social media
- [ ] WoodWorks team member
- [ ] WoodWorks education event
- [ ] Other (please specify)

13. Finalize and Submit

Did you upload image and drawing assets to the link provided?

If ready, press submit below to send your nomination to WoodWorks for award consideration. A WoodWorks staff member will confirm receipt of the nomination. Please enter your email below to receive an emailed confirmation from Survey Monkey.

Thank you for your nomination! Winners will be notified by mid-April 2027.
